PROGRESSIVE RADIOLOGY AT THE COLONNADE

100 Fulford Avenue

Bel Air, MD 21014

Phone 410-838-6767

Fax 410-838-7895

www.progressiveradiology.net

Directions:

From Rt. 924/24 North (Bel Air / Forest Hill Area)

Follow Route 924/24 into Bel Air straight through traffic light at Broadway (ShopRite store on left). The street name will change to N. Bond Street. At the fourth light on N. Bond Street, make a left onto Baltimore Pike (Route 1). At first traffic light, the sign will say "Main Street." Go straight through the light and immediately get in the left lane. The Colonnade is in the first block on your left. It is a long brick building with columns in the front.

From Rt. 924 South (Abingdon / Edgewood Area)

Follow Route 924 (Emmorton Road) into Bel Air. After you pass Friendly's Restaurant on the right, make a right at the first traffic light onto Fulford Road. Immediately get in the left lane. The Colonnade is in the first block on your left. It is a long brick building with columns in the front.

From Rt. 22 North (Havre de Grace / Aberdeen Area)

Follow Route 22 (Churchville Road) south into Bel Air. After passing the John Carroll School on the left, the road will widen and become one-way. Stay in the left lane. At the first light make a left on Maitland Street, then make an immediate right into our parking lot. Follow the parking lot around to the left, then you will be in front of the Colonnade. It is a long building with columns in the front.

From Rt. 24 South (Abingdon / Edgewood Area)

Follow Route 24 (Vietnam Vets Memorial Highway) into Bel Air. Make a right onto Baltimore Pike (Route 1). After crossing over Main Street, the street name changes to Fulford Avenue. Immediately get in the left lane. The Colonnade is in the first block on your left. It is a long building with columns in the front.
